Business Rate for Recreation Programs

We are proud to make programs and services available at resident prices to people who work in Shaker Heights. The first time a Shaker business owner or employee registers or places a reservation they will need to do so in person at Thornton Park (3301 Warrensville Center Road) during regular business hours. Proof of employment or ownership is required. This can be a pay stub, a business card, or letter from the Human Resources Department of the business. Each year this information will need to be updated. For corporations and large businesses with offices/storefronts in Shaker Heights, employees must work at the Shaker location. Services include pool and rink passes, all recreation programs and facility rentals and pavilion reservations. Some programs have limitations on the number of registrants and early registration is encouraged. All program cancellation and withdrawal rules apply regardless of residency.

FROM THE DIRECTOR

Letter from the Director

I remember early in the fall when the newscasters predicted a Polar Coaster this winter. On one hand I was terrified because it would be an unpredictable winter thereby making it difficult to plan programs, activities, and events. On the other hand, it sounded exciting because maybe we would have a real winter with lots of snow. Not everybody likes snow but as I like to say, if we live in Northeast Ohio, we might as well make the most of cold weather. The Thornton Park sledding hill has been rated as one of the top sledding hill locations in the region and I enjoy seeing people outside in winter. The joyous screams and the smiling faces are always a delight.

Speaking of delights, we are pleased to introduce summer camp registrations in this winter program catalog. Some people often wonder how we can even think of summer when winter is barely here. In the Recreation Department our wheels are always churning and we have watched the trend as people demand information on summer programs for youth early. Please take a look at our camp guide and you will see some of the new and modernized programs and activities. We strive to engage our community in activities with the goal of helping stay active and having fun. Shake is a great place to live and we are pleased to be able to serve such each and every person we encounter. ***Happy winter!***

Be Active. Stay Healthy. Have Fun.

Sincerely,

Alex Nichols
Director of Recreation

Mission

To enhance the quality of life for Shaker Heights' residents by delivering excellent recreation, leisure, and enrichment activities while promoting Shaker Heights as an active, fun, and healthy community.

The Recreation brochure is published three times per year by the City of Shaker Heights: February, August, and November. It is distributed free to residents of the Shaker Heights City School District; however, extra copies are available at Thornton Park, the Stephanie Tubbs Jones Community Building, City Hall, Shaker Heights Main Library, and Bertram Woods branch. Program information in this brochure is accurate at press time. However, please call ahead to confirm.

The City offers residents several facilities for hosting parties, meetings, and events. Rates vary and some restrictions apply. Review the locations and policies to determine which facility best meets your needs and to learn more about reserving/renting the space. Please note: Special events, including parades, races, and festivals, require permission from the City. Visit the Special Events Guidelines section at shakeronline.com for an application and details.
