

## SUBMISSION REQUIREMENTS

## ROOFING

By ordinance, the property owner is not permitted to replace more than 25% of the existing roof without replacing the entire roof.

The Board has adopted Shaker Village Colors as a standard for roof colors.

## I. New Roofs

The applicant will submit:

1. A material sample showing construction and color.
2. A specification data sheet on requested brand.
3. Color photographs showing clear views of existing roof.

The applicant must provide the items listed above to the Planning and Development Department prior to installation. The Building Code requires that all new or replacement roofing must have a minimum 30 year warranty.

## II. Roofs on Additions

The material applied to the roof of an addition or remodeled area must match the existing roof in scale, texture and color, and the applicant must comply with the requirements listed above.

**ALL DRAWINGS MUST BE DRAWN TO A MEASURABLE SCALE**

Commonly 1/4" = 1' (site plan 1" = 20')
