A pre-pour inspection is required prior to placing asphalt or concrete. This application does not include permission to install new concrete in public-right-of-way.

NOTE: Inspector reserves the right to require catch basin when needed for proper drainage.

NOTE: All permits are required to be inspected. It is the responsibility of the contractor or applicant to arrange and schedule all inspections with the property owner and the Building Department. Failure to do so is in violation of City Ordinance.

Please allow 24 hours minimum notice before all inspections.
