## Information for the Adjacent Occupants:

This process may result in debris falling on your property. The operation of the equipment may result in loud noise. The hours of operation of the equipment are limited to 8:30 a.m. to 4:00 p.m. on weekdays, excluding holidays. We recommend that you keep small children and pets away from the work area and any other area where debris may be falling. We recommend that you close your windows and doorways in an area where debris may be falling. If you have any complaint concerning noise level or damage to your property, please contact the person listed above. For abrasive stripping and cleaning, the City requires complete enclosure of the area being worked on. If you see any leakage, or would like to seek additional information on this subject, please contact the Building Department of the City of Shaker Heights.

I/We, the undersigned hereby certify that the named property occupants who are adjacent to our project location, have been notified by delivery of a copy of this notice, in accord with requirements contained in Ordinance 91-165 and Codified Section #1333.04c.

I/We further certify that during the 24 hour period immediately prior to commencement of the work, I/We have advised each adjacent property occupant either orally or in writing, to close all doors, windows or other openings in their structures.
