Mental Health Response Program

Program Goals

- To more effectively address crisis- related calls for service as they come in, as well as
- Reduce/Prevent calls based on preventative social service or mental health services or intervention by:
 - Improving outcomes for individuals in crisis or who need social services,
 - Provide more effective SHPD/SHFD response to mental health and crisis calls, and
 - Diverting individuals in crisis away from the emergency response or justice system and into services to proactively address their needs prior to an actual crisis.

Mental Health Response Program

- Dedicated full-time social worker since November 2022
 - Social work intern coming May 2023
- Response with shift, if available
 - Unmarked vehicle, Motorola radio
- Conduct follow-up via phone or in-person
 - Meeting where the individual feels comfortable (home, public space)
- Dedicated hours at Police, Fire and Library
- Assessment of high utilizers of 9-1-1 calls
 - Monthly meetings with Police and Fire departments, Cuyahoga County Board of Developmental Disabilities
- Virtual component

Mental Health Response Program

- Mental Health training for police officers and firefighters/paramedics
 - CIT Training to be provided by MHRP
- Referrals from Housing Department, Recreation Department, Legal Department, Courts, and community members
- Database to track referrals and analyze results
- Ongoing relationship with MetroHealth/Recovery Resources
 - Training social worker to assist in capacity and growth in the community
 - Transport and referrals to MetroHealth Cleveland Heights Behavioral Health Hospital
