**STEP 1:**

Have a registered contractor with The City give an itemized written estimate for the violations found on the POS report. Each item must be given an individual price. A cover page stating the property address, total amount, and the contractor's contact information is also needed as follows: the registered company name, address, phone/fax/email, and the printed name/title/signature of the person submitting the bid.

You may find a registered contractor on The City's website at

<http://www.shakeronline.com/departments/building/contractor-index>

Once the bid is received, the Assistant Director will review and approve or ask for items to be amended by the contractor (150% of the approved amount is placed into escrow).

**STEP 2: \*\*\***

Submit the escrow package paperwork (see attached paperwork/packet) along with copy of driver's license (the originals must be submitted to the Housing Inspection Department at 3450 Lee Road, Shaker Heights, OH 44120). If the house will be put into a corporation's name, then a copy of The State's Articles of Incorporation are required.

**STEP 3:**

Upon completion of the previous steps, The City then works with the title company in order to complete authorization to transfer title.

If you are in need of anything else, do not hesitate to contact our office. Any one is able to assist you with this matter.

Regards,

For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. ### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

BUYER'S ACKNOWLEDGEMENT FORM

The undersigned buyer or transferee of the property located at \_\_\_\_\_, Shaker Heights, Ohio, does hereby acknowledge and accept the following:

I have received a copy of either a "Certificate of Inspection (Point of Sale)" form or "Certificate of Compliance" form issued by the Director of the Housing Inspection Department within one year prior to the agreement to sell or otherwise convey an interest in this property. Note that a Certificate of Inspection may be appealed by the Owner, which could result in changes to the list of violations or the required corrections. Housing Inspection reserves the right to work with the owner to determine how the violations should be corrected. It is the Buyer's responsibility to inspect the property before transfer, to request any new or modified violation notice from the City, and to include contract terms that require disclosure by the Owner of changes to the property before title transfer.

I will provide this signed "Acknowledgement Form" to the escrow agent for the property purchase transaction, and a copy to the Housing Inspection Department, as a condition of transfer of title.

I agree that if all violations on the Certificate of Inspection are not corrected prior to transfer of title, either the Seller or I will sign and fill out the City's "Escrow Agreement" form, and I agree an Escrow Account will be established with the City of Shaker Heights, where funds equal to 150% of the estimated cost of repairs will be deposited in a non-interest bearing account to pay the cost to correct all violations at the time of title transfer.

I understand that Funds held in escrow will be disbursed only upon submission of the "Disbursement Request" form to the City, and written approval of the request by the City. If the amount held is less than \$5,000, no funds will be released until all violations are corrected; if the amount is between \$5,000 and \$20,000, the City may authorize one release, if substantial progress has been made in correcting the violations and sufficient funds remain in escrow to correct all remaining violations. If the amount is between \$20,000 and \$40,000, two partial releases may be approved; if between \$40,000 and \$60,000, three partial releases may be approved; and if \$60,000 or more, four partial releases are allowed.

I understand that the buyer/transferee is responsible for correcting all violations remaining at the time of title transfer within ninety (90) days unless, for good cause, an extension of time is approved by the Housing Inspection Department.

I agree that if this property is not intended to be owner-occupied and if I reside outside Cuyahoga County, I will complete a designation of agent form as required by Section 1409.03(b) of the Codified Ordinances. I agree that if the buyer/transferee is a business entity, rather than an individual, the business entity will be registered with the Ohio Secretary of State prior to transfer of title to Buyer. Proof of registration required for approval of transfer.

The purpose of the inspection is to benefit the community at large and is not intended to protect the interests of any individual, owner, buyer, successor owner or occupant of the property. The City assumes no liability or responsibility for failure to report violations that may exist and does not warrant the repairs made pursuant to the inspection. The POS Inspection does not include the public sidewalk or driveway apron, and does not include any inspection for lead, asbestos or other hidden hazards, adequacy of utility connections or sewer line blockages or failures. The City strongly recommends that a purchaser/transferee hire a qualified private inspector to report on the conditions of the property and potential issues.

I acknowledge there may be City assessments, not yet recorded or billed with the real estate taxes, owed on the property for work performed by the City that has or will benefit the property. It is the responsibility of the buyer or transferee to ensure that inquiry is made to City to identify any such pending assessment, and to ensure that the assessments are paid. Unpaid assessments may become a lien on the property collected with the property taxes.

Please indicate if property will be renovated and sold prior to occupancy. Yes [ ] No [ ]

### POINT OF SALE INSPECTION AND ESCROW REQUIREMENTS

Housing Inspection Department

(216) 491-1470

- An owner of any residential real estate must obtain a Certificate of Inspection or Certificate of Compliance prior to entering into any agreement to sell or transfer an interest in their property.
- The Seller must complete and submit to the City's Housing Inspection Department a "Point of Sale Application" form and pay the applicable fee. **Application Fees:** \$150 for a Condominium unit; \$200 for a Single-family dwelling; \$300 for a Two-family dwelling; \$200 for 1<sup>st</sup> Apartment unit, \$50 for each additional unit.
- The Seller must schedule an appointment for an inspection with the Housing Inspection Department.
- The Seller will be mailed a "Certificate of Inspection (Point of Sale)" form or "Certificate of Compliance" form by City after inspection. A POS inspection is valid for one year from date of issuance.
- The Seller must provide the Certificate and a "Buyer's Acknowledgement" form to the Buyer.
- The Seller has two options if a Certificate of Inspection is received:
  - Correct all violations and receive a "Certificate of Compliance" showing full compliance.
  - If violations remain uncorrected at the time of title transfer, Seller must ensure that a Point of Sale (POS) Escrow Account is established.
- The Seller must correct violations if property fails to transfer within 90 days after the Certificate is issued.
- If the Seller wants re-inspections of the property prior to sale, a re-inspection fee of \$25 will be charged for each requested re-inspection after the first two requested re-inspections.
- The Buyer must, prior to transfer of title, sign the "Buyer's Acknowledgement" form and provide it to the City, assume responsibility for all violations, obtain a registered contractor's estimate of cost to correct violations, obtain City approval of the POS Escrow amount, and provide the City with an original, signed "Escrow Agreement", if the Buyer is establishing the POS Escrow Account, an original signed W-9 form; and a copy of a Driver's License (if an individual), or Articles of Incorporation and proof of registration with the Ohio Secretary of State (if an entity).
- The Buyer must provide, within three (3) days after transfer of title, a check made payable to City of Shaker Heights in the amount approved by the City (i.e. 150% of the cost to correct the violations.)
- The Seller or Buyer must obtain a written estimate from a contractor registered with the City to correct the remaining violations (contractor list available from the City's Building Department and on City's website ([www.shakeronline.com](http://www.shakeronline.com))).
- The written estimate must be "itemized" for each violation and the repair cost must reflect current market rates for labor and materials, and follow National Construction Standard guidelines. All estimates must be rounded off to the nearest dollar and submitted on contractor letterhead. Estimates will be rejected if itemized cost does not equal total cost submitted. The written estimate must be submitted to the Housing Inspection Department, and will be approved or disapproved within 3-5 days.

- The total estimate from the **approved contractor** will be multiplied by 150% to determine the amount required to be held in a POS Escrow Account.
- Upon **approval of the escrow amount**, the City will notify the parties or the identified escrow agent for the transaction.
- The **Buyer or Seller** must fill out and sign the “Escrow Account Agreement” form (depending on who is establishing the POS Escrow Account).
- The escrow agent for the transaction, or the Seller or Buyer, must then send to the City a preliminary **HUD 1 or other Closing Settlement Statement** demonstrating that the approved POS escrow amount will be available to be deposited by the City of Shaker Heights into a non-interest bearing POS Escrow Account upon title transfer.
- Prior to transfer of the property, the **Director of Housing Inspection** must have issued a “Transfer Release Letter,” which will be issued only after receipt by the City of all of the following documents:
  - A preliminary **HUD 1 or other Closing Settlement Statement**
  - The **Buyer’s Acknowledgment Form**;
  - The **original signed “Escrow Account Agreement” form**;
  - An **original signed W-9 form**;
  - A copy of the **driver’s license** of the person opening the escrow account (if individual), or
  - A copy of **incorporation documents** (if an entity); must be registered with the Ohio Secretary of State
  - The **social security number** of the person opening the account (if individual), or
  - The **tax ID number** of the entity opening the escrow account.
- Within 3 days after transfer of the property, a **check made payable to City of Shaker Heights** in the amount approved by the City must be provided to the **City’s Housing Inspection Department**.
- **Disbursements** from the POS escrow must be requested on the escrow “Disbursement Request Form” and sent to the Housing Inspection Department. A disbursement will be approved if the Director of Housing Inspection determines that substantial progress has been made in correcting the violations and that sufficient funds will remain in escrow to correct all remaining violations. Note: disbursements may take up to **seven (7) business days** to be received. Account Holders will be charged **\$15 per check** issued for disbursement of funds, which will be deducted from the account balance.
- **Disbursements** shall be made as follows:
  - If escrow less than \$5,000, no funds shall be released until all violations are corrected.
  - If escrow between \$5,000 and \$20,000, the City may authorize one partial release of funds.
  - If escrow between \$20,000 and \$40,000, the City may authorize two partial releases of funds.
  - If escrow between \$40,000 and \$60,000, the City may authorize three partial releases of funds.
  - If escrow \$60,000 or more, the City may authorize four partial releases of funds.
- Funds shall be disbursed to the Account Holder at the address provided on the Disbursement Request Form.
