INTRODUCTION

School Age Care (SAC) is operated by the City of Shaker Heights Recreation Department. SAC offers daytime care during non-school hours primarily for children enrolled in K-6th grade at Shaker Heights School District schools. It is located in all six Shaker Heights elementary schools: Boulevard, Fernway, Lomond, Mercer, Onaway, and Woodbury. Onaway and Mercer schools also offer child care for pre-K students enrolled in the Shaker Heights School District pre-K program.

SAC curriculum provides fun, hands-on and experiential learning activities. SAC staff promotes safe, fun environments with time to play with friends, do homework, eat a snack, read a book or create a masterpiece before and after school hours.

MISSION STATEMENT

The SAC Program is designed to encourage social, emotional, physical and cognitive growth. Children are given many opportunities to explore their own environment, manipulate objects, creatively use materials, discuss their ideas and enjoy indoor and outdoor active play. Providing many opportunities for successful experiences enables children to develop positive feelings about themselves and their abilities. The child care staff instills enthusiasm for learning that they hope will continue throughout the child's life.

MESSAGE FROM THE COORDINATOR

Welcome to Shaker Heights Recreation Department School Age Care program. Our objective is to provide high quality child care that helps children enter school ready to succeed, improves their skills, and keeps them safe while their parents work. We strive to offer a safe, relaxed and fun atmosphere where the children pursue their own interests and develop new friendships.

This parent handbook provides information on program policies and procedures. If you have questions, please feel free to speak to a member of the child care staff or give me a call.

We hope your family's experience in the program will be enriching.

POLICIES AND PROCEDURES

REGISTRATION POLICY

Enrollment in the SAC Program is open to any resident of the Shaker Heights Public School District with payment of a monthly fee. It is unlawful for the Recreation Department to discriminate in the enrollment of children upon the basis of race, color, religion, sex or national origin.

Children may start attending the SAC program as soon as the online or in person registration process has been completed.

A child's continued enrollment is conditional upon the parents' and child's adherence to the policies and procedures of the Shaker Heights Recreation Department's School Age Care Program.

The SAC Program is not designed to be a drop-in program and we encourage you to enroll your child for the entire school year (August – June). **If you skip a month or withdraw from the program and return later in the year, you will be assessed a \$25 re-instatement fee.**

A child may be enrolled on a part-time basis depending upon available space. An 8-visit card is available. Each card allows the student 8 visits with either before or after care. The visit card cannot be used for both. It is valid for the duration of the school year. To assist in managing attendance numbers, please provide staff with the expected days the child is to attend.

Registration Information

During the registration process, you will be provided with the following:

- The School Age Care Parent Handbook (available online, Thornton Park or the Stephanie Tubbs Jones Community Building)
- A Zero Tolerance Policy Form
- A Parental Checklist Form
- A Fee List (included in the Parent Handbook)

Please complete all forms and return them, in person, to Thornton Park with your first payment. Pertinent information regarding any special medical issues, special needs, food allergies and IEPs if applicable must be clearly noted on page 2 of the Enrollment Application. The School Age Care Coordinator will review all IEPs to ensure we have sufficient staff to accommodate your child's special needs. Acceptance into our program is subject based on this review.

If your child has a special need that requires an accommodation or auxiliary aide to participate in a program offered by the Recreation Department, the child's parent or guardian shall make a written request 30 days prior to the commencement of the program offered by the City. In some cases, the request may be made with fewer

days' notice. Contact the School Age Care/Camps Coordinator for guidance at (216) 491-2583.

Please keep the SAC staff informed about medical history changes, change of address and new phone numbers during the year so that we can keep our records updated. If you withdraw from the program you must turn in the schedule change/withdrawal form to your site supervisor or to Thornton Park with a week's notice to avoid auto draft monthly payments.

All of the following information must be returned before the child is permitted to begin the School Age Care Program:

- Signed Zero Tolerance Policy
- Signed Parent Handbook Checklist

General Information

A. Attire and Personal Belongings

Children will be involved in craft activities and will use glue, paints, etc. All materials used are non-toxic school approved materials but it is not the policy of this program to be individually responsible for soiled or damaged clothing under normal school age care conditions.

Please do not send your child to this program with personal toys, electronic devices, mementos, or other items of sentimental value. Such items present special problems for the child and staff. Prized possessions are very difficult to share. Please help your child to understand that these items are better off at home. Staff and/or our program cannot be responsible for broken or lost items.

B. Emergency Contacts – Shaker Heights Recreation requires a minimum of two contact persons who are available to pick-up your child when you cannot be reached in the event of an emergency situation. It is important that your emergency contacts be able to pick-up your child if they receive a call.

C. Authorized pick-up Person – Children will be released only to the persons listed on their enrollment forms. The SAC program must have clearly written instructions if the child is to go home with anyone other than a regular pick-up person or if your child is to attend any event after school other than SAC.

D. Pick-up Identification – All authorized pick-up persons unfamiliar to site staff must show proof of identification. This identification should be a government issued ID such as a driver's license or a passport.

E. Custody Issues – SAC staff will release children to parents or guardians listed on enrollment forms only. SAC is not a child visitation center or an observation place. Parents and others not listed in enrollment forms are not permitted to engage with program participants.

F. Change of Contact Information – It is important that all contact and medical information be current and up to date. Please notify staff as soon as possible of any changes in phone numbers, addresses, pick-up persons, etc. Also, please notify the administrative assistant of any changes in your phone numbers or address.

G. Medication – Medication is not administered by the SAC staff, with the exception of Epipens with written instructions from the participant's physician. A child can self-administer under the supervision of a staff person with written permission from the parent or guardian.

All prescription medications to be self-administered require written instructions from a physician. All medication must be in the original labeled container and have a valid expiration date. Prescription medication must have the pharmacy label containing the child's name, dosage, and times to be administered. All medication must be given to SAC staff prior to use by the child.

H. Communicable Diseases – Parents must inform the site within 24 hours if your child or a member of your immediate household has developed a communicable disease. All SAC parents will be notified within 24 hours if a communicable disease is reported and a notice will be posted at the site.

I. Staff – Staff members are fingerprinted and drug tested and a criminal background check is completed upon hire. Staff is trained in First Aid and CPR and Epipen administration. Mandatory trainings are provided throughout the year to ensure the highest quality of programming and service.

J. Child Protective Services – The SAC program is required by law to report suspected child abuse and neglect to the Ohio Department of Human Services. All reports are directed to 696-KIDS.

K. Snacks – Snacks are provided for the SAC program in the afternoons only. Please notify staff in your enrollment packet if your child has dietary restrictions.

L. Arrival and Departures – Parents must sign-in their child upon arrival and sign them out upon departure.

A staff member shall be notified and signature/date written on the sign-out sheet. Children can be released only to those individuals designated as authorized pick-up people. A copy of the permission form will be kept in the child's file.

SAFETY POLICY

- A. All staff is required to review the child care program's safety policy.
- B. No child is ever left alone or unsupervised in the classroom, restroom, playground, or any other SAC location.
- C. Children will check-in upon arrival in the morning and checked-out upon departure with the supervisor.
- D. Staff members have immediate access to a working telephone at all times.
- E. Unannounced fire drills are conducted each month and a record of these drills is available at the site. Each site contains a posted diagram showing building evacuation routes with all exits clearly marked. Staff takes the tablet and make sure every child is accounted for in the groups.
- F. In the event of an emergency creating a need for medical or dental attention, the following procedures will be followed:
 - If immediate emergency treatment is needed, the Shaker Heights Recreation staff will contact the rescue squad and parents will be notified immediately.
 - If the parents cannot be reached and a doctor's services are necessary, the staff will obtain the necessary medical treatment from the child's source of health care listed on the emergency form. Additional emergency phone numbers, provided by parents, will be contacted.
 - If a minor accident or illness occurs, staff certified in first aid will administer the necessary minor first aid and the parent will be contacted.
- G. All accidents are recorded on an Injury Report form and are reported to the Director of Recreation. Parents are informed of any injury a child has received no later than the end of the business day.

TRANSPORTATION POLICY (see page 14)

CONDUCT POLICY

It is intended that each child enjoy the planned activities and understand that he/she is responsible for his/her actions. With prior knowledge of our basic rules of safety and good conduct, each child is made aware of how to exercise self-discipline, that staff is here to help him/her and to know that we want him/her to succeed.

As in any group activity, the appropriate behavior of a few children can spoil the experience for the entire group. The following conduct policies apply directly to each child and will be used in determining his/her eligibility to continue as a participant in the Shaker Heights Recreation Department's SAC Program. In accordance with the severity of the infraction and the number of times the infraction occurs, a child may (a) lose the privilege of participation in a specific activity; (b) be denied field trip privileges; (c) be suspended from the program; or (d) be permanently prohibited from the program for:

- Intentionally and repeatedly going to unauthorized areas of the school facility or leaving the school premises without permission.
- Repeatedly using foul language, being rude and discourteous to staff/peers and/or hitting or biting staff/peers.
- Refusal to participate in activities, inappropriate displays of affection or disobeying staff.
- Acts of violence including spitting, punching, hitting, kicking or any other action that can injure another person.
- Defacing school property, or defacing facilities during field trips.
- Stealing or defacing other's property.
- Any note of sexual gestures or inappropriate touching or verbal phrasing.
- Any other behavior detrimental to staff, participants or the program.

DISCIPLINE POLICY

The curriculum of the Shaker Heights Recreation Department SAC Program promotes positive and fun learning experiences for the child and positive interaction between adults and children. The goal is to help each child develop a feeling of positive self-worth and competence. Clear rules for behavior and clear directions for compliance are established and positive reinforcement given for compliance. All adults in the site convey an attitude of firmness with kindness, stating expectations for children's behavior.

Specific Program Rules

- Keep hands and feet to oneself
- Follow directions the first time given by staff
- Show respect for others
- Respect property and equipment

Specific strategies for discipline and guidance at the site include:

1. Emphasizing positive behavior. Rewarding appropriate behavior that complies with the site's rules and standards.
2. Using redirection and diversion rather than negative reinforcement. The uncooperative child shall be redirected to another activity. An entire activity may be redirected when necessary.
3. Changing the learning environment when it interferes with positive behavior. Trained staff will foresee and forestall problems.
4. Setting clear, consistent and reasonable limits and establishing procedures for following through on enforcing the limits.
5. Avoiding negatives. Stating rules and direction for guidance in a positive way. Threats or bribes are never used.
6. Stating the causes and effects of behavior and the possible consequences.
7. When a child's negative behavior involves harm to himself or other children, or to equipment, the child shall be removed from the scene and parents will be called immediately to pick-up the child.
8. Parents are informed of inappropriate behavior (as described in #7) and disciplinary measures are used at the time. We do not recommend additional discipline by parents for infraction of site rules. Parents receive a copy of the discipline form.

Disciplinary Actions

- First Incident - Verbal Communication. If a student is acting out in child care, it is important to give him/her the opportunity to correct his own behavior. If a child violates rules of conduct, a privilege is taken away or a "time out" from the activity is given. In this event, the SAC staff shares concerns with the parent/guardian.
- Second Incident – Documentation. When concerns arise multiple times, the child has chronic behavior problems and/or causing harm to self, fellow students, SAC staff or school property, SAC staff document the behavior on an Incident Report and submit it to the SAC Coordinator. The Coordinator calls home and speaks to the parent. After speaking to the parent/guardian about the incident, a letter stating the behavior and a written warning are sent home.
- Third Incident - Parent Conferences. When the problem persists a parent conference is scheduled and the child is temporarily suspended until the meeting takes place. Parents/guardians are encouraged to work with SAC staff and SAC Coordinator in managing behavior. At this meeting the staff will welcome any suggestions and/or techniques as to how to deal effectively with your child.
- Fourth Incident - Suspension/Expulsion from Program. The City of Shaker Heights SAC Program reserves the right to remove any child from enrollment for behavior. If the behavior has not been corrected or showed signs of improving following the first three steps, the SAC Coordinator will suspend or expel the child's enrollment from SAC, Fundaze and summer camp programs. Written documentation of this will be sent home and placed in child's records.

There will be a \$25 late fee assessed for payments not funded during the auto draft process. The Shaker Heights Recreation Department reserves the right to remove your child from the SAC Program until all fees are current and up to date. The monthly fee must be paid whether the child attends or not, unless there is an illness of three days or more with a doctor's written verification.

To change your banking account being used during the auto draft process, a request must be sent in writing via email to ShakerRec@online.com at least 72 hours before the 1st of each month. Participants banking account information cannot be changed through the Shaker Recreation Online Registration system.

Part-time participants are enrolled by purchasing an 8-visit card. This card enables children to come to SAC for up to 8 visits. Visit cards must be purchased prior to attending. Separate morning and afternoon visit cards must be purchased and are not

interchangeable. Cards can only be used at the schools for which they are purchased. Each participant must purchase a separate visit card for each child enrolled in the program. Parents are responsible for replenishing the 8 visit card after the 8th swipe.

There is a \$10 replacement card fee for visit cards that are lost or stolen.

In the event the schools are closed due to inclement weather, or for other reasons beyond the control of the City of Shaker Heights, there will be no credit or refund given for monthly SAC fees.

Late pick-up Fees

SAC sites close at 6:30 pm. A fee is charged for the first 15 minutes or portion of 15 minutes that a child is picked up late. Habitual lateness may result in the loss of services.

- For the first three occurrences, a late fee of \$5 is charged for the first 15 minutes (or portion of 15 minutes) that a child is cared for after session hours. If after the first 15 minutes the child has still not been picked up, there is an additional charge of \$1/minute.
- After three occurrences, the Shaker Heights Recreation SAC program has the right to discontinue service.
- Late pick-up forms must be signed at pick-up and given to staff.

NOTE: If you are running late, please notify the site by 6:15 pm. If you have not contacted the site and staff cannot reach you, an emergency contact will be contacted to pick-up your child.
