Letter from the Director

Who would have thought we would ever get to spring with the way the winter began in early January? Gone are the short days and cool nights, and it is so refreshing to look forward to flowers blossoming and the summer kickoff Memorial Day Parade. The parade marches near the new Van Aken District and we hope that parade participants and residents are proud to have Thornton Park as a part of this exciting new development.

Back by popular demand will be adult pop-up fitness programs. They were well attended, and residents who instructed these programs were pleased to make them available. Also in development are new community engagement pop-up programs. This program is in the design phase, and we are exploring more ways to make recreation a quality of life amenity for all residents, including those who typically do not visit the pool or rink, or participate in recreation programs. Look for more information on the Recreation Department Facebook page. If you haven’t liked us yet, please take the opportunity so you can stay abreast of upcoming programs.

Be Active. Stay Healthy. Have Fun.

Sincerely,

Alex Nichols
Director of Recreation
